Ivanhoe Wins Grand Champion Award at British Empire Cheese Competition!

On the occasion of our 135th anniversary, we are pleased to announce that Ivanhoe Medium Cheddar Cheese has captured the Grand Champion Award at the prestigious British Empire Cheese Competition, held in Belleville, Ontario on December 1st, 2005.

This achievement is the direct result of the Ivanhoe entry receiving the highest score of any of the numerous and various maturities of cheddar cheese which competed in this year's event.

The British Empire Cheese Competition was established in 1928 by the Central Ontario Cheesemakers Association to recognize both excellence and innovation on the part of cheese manufacturers located both here and abroad.

As Canada's oldest independent cheese company, and a recipient of many national and international awards, Ivanhoe Cheese Inc. is both pleased and proud to receive this further recognition of its ability to achieve the highest standards possible for the many products it manufactures at its modern facility located in the hamlet of Ivanhoe in East Central Ontario.
